PRESIDENT'S MESSAGE

I would like to say a few words to Chapter presidents, be sure to use the newsletter to let everyone know about your meets, be sure to send in Meet Reports to your Editor. The Newsletter is there for your use at no charge.

Since I do the covers for the Falcon News each month, I wonder if any of you have some good photo's I could use, or some ideas of what you want on the front cover.

Will close wishing all of you happy holidays.

Roy E. Sword
President, FCA

EDITORIAL

In this belated issue your Editor rests on the old adage, "a picture is worth a thousand words". Over the last several months, I have received excellent meet reports from the Rock Mountain chapter (which you read about in the September issue, p. 13). I chided them for not sending pictures--well they responded and in splendor. Their pictures are in this issue.

While many of us are simply dreaming of how nice it would be to have a Falcon meet, the folks at the Mason-Dixon chapter are doing it! They have had three meets lately and have forwarded pictures and expose'.

Falcon enthusiast Jim Lyle, from Warner Robbins, Ga. has had a Falcon meet and sent pictures. In the meantime, Steve Lee down in Tarpon Springs, FL, is well underway toward organizing a chapter in Florida. In fact Steve and other enthusiasts had a recent meet where they "all looked at each others Falcons". Even though the beginning "Sun Coast Falcons" have already had their November meet, Their meet report is included in this issue for information.

I have recently found the classified ads section of the FN to be amazingly effective. In some recent ads I ran, I received amazingly prompt results, both for selling items and buying. I recommend their use.

While I'm on the subject: some of you enclose a picture of your car along with an ad for its sale. As you know, your editor can't resist printing a nice picture of a nice Falcon. But from the standpoint of classified ads--which are run free to members, we can't very well publish pictures of all the cars for sale. Consequently, we will print your ad, but won't print the picture. People who want a picture with their ad should go the half page commercial route.

Again I'm going to tell you about a product that is advertised in the Falcon News. The reproduction 62-63 deck lid ornament by Northwest classic Falcons is absolutely supurb. We will try to reproduce a copy of the emblem in their ad for this issue, but there is simply no way that the black and white reprint will do it justice. It was nearly impossible for me to send this example on to Roy and the printer--I had a nearly irresistable urge to install it on my '63! Thanks is due to Northwest and all of the other folks in the country for taking on some risk in reproducing stuff for our much-prized Falcons!!!

(This is smaller than actual size)

NOTE: We will try to have a better reproduction of this beautiful emblem in a future issue of the Falcon News.

Among Tom Botkin's possessions are a '65 Sprint Conv. and his white hat. you can see them both in this picture. Of the two, Tom's Sprint conv is the more rare with only 300 having been made. To put it simply: I wish Tom's Sprint was mine.

The sign over Leonard Nothafft's Ranchero is inviting. Leonard's truck is red, red, red.

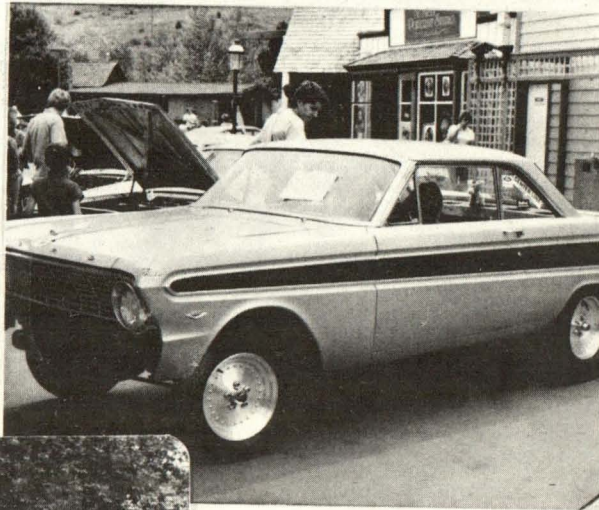

Ryner Hantchel
has the most desirable
tags in all of high country.

Ray Roberts (world champion proof reader and frequently contributing member) of the Rocky Mountain chapter correctly notes that picture of a Sprint cooler on p. 4 of your August, '84 issue is actually Bill Branch's '63 Ranchero cooler.

Ray also forwarded pictures of the Rocky Mountain Chapter meet that was discussed in the September issue of the FN. Their cameras were working quite well, as it seems, the excellent results follow:

This is Fred Gomez's '64. Ray says that this is the best paint he's ever seen on a Falcon. Don't take that lightly: Ray's seen a lot of Falcons!

Of the two beauties pictured here, only one is a Falcon. The other's dad bought the Sprint brand new. Nanci Avitable grins about her pretty Falcon.

UPDATE

Dear Tom:

On Sunday, September 16, 1984, a group met at my house to discuss starting a local chapter of The Falcon Club of America. After a brief discussion it was unanimously approved and the group agreed to apply for a charter as The Suncoast Falcons.

We will hold our first meeting as a club at The Foxworthy residence on November 17th at 3:00 p.m. A cookout is planned with everyone bringing a covered dish. Everyone was also asked to bring a Falcon owner to boost the membership.

Officers were elected. They are: Steve Lee, President - Marshall Foxworthy, Vice President - Harriet Hoeksema, Secretary, Treasurer. Charter Members are: Steve Lee, Marshall Foxworthy, Russ and Harriet Hoeksema, Joan Foxworthy, Bill and Jan Butler, Jim and Cindy Taylor, Kathleen Lee, Gary Nye. Refreshments were served and we all looked at each others Falcon.

Sincerely,
Steve Lee, 340 High Street, Tarpon Springs, Florida 33589

Dear Harold:

The Northwest Falcon Chapter held their fall meeting Sunday, October 14th with 10 members present. Two new members joined the club who are real Falcon fans. Our club will be two years old this November and now has 18 members. There are hundreds of Falcons in the Pacific Northwest and our plans are to really get our members out and bring these prospects in. Our next meeting will be at Charles Johnson's home at Bothell. Election of officers will be held and plans laid for the coming year to generate more interest in our club.

Max Appelgate, #1504

ATTENTION NEW ENGLAND MEMBERS:

May 4, 1985 - Rheinbeck, New York - North East Chapter Spring Meet. To be held during the auto flea market and car show at Dutchess County Fairgrounds, Rheinbeck, New York. More info contact: Tom Massarelli, 10 Young Street, Poughkeepsie, New York 12601 SASE please!

Dear Harold:

Here is the news of the Georgia Falcon meet held in Warner Robins, Georgia on the 21st of October. Falcon Club Members from all over the State of Georgia gathered in Warner Robins for the second time in 3 years for a get together. The weather was nice and 10 cars were in the show. Windows and tops were down and everyone had their car looking real good.

A tie was broken for the most popular car by a member who did not have his car in the show. David Wall lost with his spectacular '64 Sprint hardtop. He was tied with Lynn Moon's modified '65 Futura H.T. Both cars are just super. The long distance trophy was won hands down by Bill Granne's out of Montgomery, Alabama. He had a really super '60 Ranchero that is very original. We are looking forward to more meets in the future and hope to get a state wide organization soon. Thanks Harold, here is a picture of the most popular car. Please send it back. Many thanks for your help.

Thanks, Jim Lyle

CHAPTER MEET

From the VP of the Mason Dixon Chapter we have the following message: "I'm sorry many of our members could not attend cross country to the National meet, but we did have a meet at Yorktowne Festival in York, PA on the same dates."

The MD's August meet had a difficult act to follow, namely, the July meet. The following panoramic shows the turnout on that sunny day.

Here's some of 'em from behind:

Here are two more Falcons from the MD Chapter, both of them apparent '64's. The convertible is Rangoon Red with a khaki top--a very striking combination.

The hdtp is Raven Black with Red interior. This must have been some show.

The Mason-Dixon chapter is composed of friends from PA, MD, DE, and VA but they welcome visitors from any where.

Now you might think that the M-D chapter is resting on their laurels, after two terrific meets. think again! Here's a shot of their October meet when 15 Falcons showed:

As if that weren't enough, their '85 schedule is set: Feb9th, Glasgow rest. in Glasgow, Delaware. Guest speaker: Harry Fiezel, the Ford regional Warranty manager.

April 14, meeting in Seaford Del.; July 14, Pikesville MD. Details later.

Listen: if you live in their area, and you're not a member, you're missing a good bet!!!

Still from the August meet: this station wagon in Rangoon Red.

These two sedan deliveries could deliver groceries or they could deliver trophies. They also look like they could haul you-know-what!

The '63, sporting hi-po 289 badges looks to be Rangoon red, while LOWCO DELIVERY is Curious Yellow.

Note LOWCO'S hidden door handles

Speical delivery (above) has very well done radius on rear wheels.

I only wish you readers could see these cars in color.

For other chapters: here's how to get new members. This and the following few pictures are from the August meet
